50s/60s type infomercial vibe introducing VIRIDOS as the revolutionizing tour robot

VOICEOVER

Tired of humans being the one giving  
tours to your next potential  
customer? Want to be a step above  
your fellow

HOSHI REPRESENTATIVE hacks into the ad to hint at the real  
impetus behind the VIRIDOS tour robot: to uncover the  
secret of the Green Polo

VIRIDOS, get a leg up on your  
competition

\\this line is crap, trying to think of a better slogan  
that subtly hints at either beating whitney or the green  
polo
